## Corpus Christi celebrates 15 years

VMCH's Corpus Christi Aged Care Residence, Clayton is celebrating its 15-year anniversary this month.

General Manager for Residential and Retirement Services, Voula Yankoulas says the milestone is a significant achievement for the organisation.

"It has been great to see the home continue to grow on the solid foundations of good care and great staff. The addition of our (specialist memory support unit for residents with dementia) Cluny House is an example of how we have continued to evolve over the years. There are so many dedicated and competent staff at Corpus Christi and I am so proud to be part of such a committed team.

"Corpus Christi Aged Care Residence is also part of the wider Corpus Christi community with the adjoining Retirement Village, which makes it such a lively place to live.

"Congratulations to all, whether you have been at the residence since it first opened or are a new member of our community. It is certainly an occasion to celebrate and enjoy."

Chef Manager and Catering Support Supervisor Nirmala Segaram started working at Corpus Christi in February 2006, and has held many roles within the catering team over the years. She says the happiness and satisfaction of residents, and their trust in her to do a good job, gives her great joy.

"I have continued to work in this industry because of my great passion and love for our older and vulnerable residents.

"Food is one of the biggest challenges and demands in this industry. To provide quality home-made food to meet residents' nutrition and hydration needs is a very rewarding experience.

"I am grateful for the training, support and guidance provided to me to do well at my job, and the skills and knowledge I have developed over the years also motivates me and keeps me dedicated."

In 2006, the first residents moved into Corpus Christi, including Sisters of St Joseph of Cluny, and Presentation Sisters. One of our first residents Sr Lorna Moylan, who arrived in April 2006, is still residing at Corpus Christi today.

Corpus Christi residents and staff will celebrate with their own special high tea to commemorate the 15-year anniversary.
