

Although we can be physically present for this special time of Holy Week in our churches we can still make this a special time .

By participating as best as we can with the on line TV radio ect we are conscious that we are connecting with each other and indeed Christians around the world .

We share a common faith . We can also make time for personal and family prayer . If you cannot go to confession we turn to the Lord and ask for God's pardon and as Pope Francis reminded us God will give us his forgiveness .

On Easter Sunday we normally renew our Baptism promises , I encourage all of us to do the same .

We of course keep in mind those who are suffering as a result of the pandemic and the poor of the world .

We pray for healing on various levels for all of us ,

We trust in the new life that the Risen Christ offers to us ,
