

Fundraising & Community Engagement Manager

Impact

Because strong women equal strong communities. This revenue-generating role supports the important work of Mary Ward International Australia with its focus on transformational programs that invest in women and impact the community as a whole.

The Role

Reporting to the CEO, this newly reshaped role offers a unique opportunity for a dedicated fundraising professional to continue the work of the fundraising team and manage key relationships with philanthropists, family foundations, bequest supporters and Loreto school communities.

You will have the opportunity to develop and execute a fundraising strategy to increase revenue and support MWIA's growth and sustainability aligned with MWIA's Mission and current Strategic Plan.

The Organisation

Mary Ward International Australia works with women from all backgrounds in all communities of need in Australia and beyond, to provide the essential building blocks for their growth: through focused and purposeful education, health and community development programs. MWIA is the Australian and international development organisation of the Loreto Sisters. <https://mwia.org.au/>

What You Bring

An established track record of generating, retaining, and increasing revenue through nurturing relationships with a genuine appreciation for the Loreto vision, mission, and values.

You will demonstrate-

- An understanding of the fundraising process within the NFP sector
- Thoughtful and strategic donor stewardship resulting in increased revenue
- Success in developing, managing and executing fundraising campaigns and events

If you are passionate about providing real solutions to vulnerable communities domestically and internationally and want to shape this fundraising role to demonstrate your impact, please apply with an up-to-date resume and a cover letter outlining your interest in the role to anna.skeels@socialcompassgroup.com.au

At the Social Compass Group we are committed to supporting an inclusive and diverse sector. We believe that a variety of perspectives, ideas and backgrounds leads to better outcomes for our customers & community. We encourage and support people with disability, Aboriginal & Torres Strait Islander peoples, the LGBTQI community and people from culturally diverse backgrounds to apply.
