Webinar: The Women of Vatican II with Sr Maureen Sullivan OP, Saturday 11 March 2023

In honour of International Women's Day 2023, American Dominican Sister of Hope, Sr Maureen Sullivan OP will be our speaker for the next ACI webinar on Saturday 11 March 2023 (Friday 10 evening US time).

Sr Maureen will share her research on the women auditors who attended and contributed to the Second Vatican Council, including Australian, Rosemary Goldie, who later became the under-secretary of the Pontifical Council of the Laity in 1967.

Other women auditors included Uruguayan feminist theologian and activist, Gladys Parentelli, who represented the International Catholic Movement for Rural Youth (MIJARC) at the Council, and Marie-Louise Monnet, founder of the International Movement for the Apostolate of Independent Social Milieux (MIAMSI).

Sr Mary Luke Tobin, an American Loreto sister, and Mother Suzanne Guillemain, superior general of the Daughters of Charity, were among the religious sisters chosen as auditors.

Sr Maureen will speak of their stories, their hopes, struggles and achievements in a don't miss event for all those interested not only in the role of women in the Church and world but also at the Council itself.
