Applications are invited for the 2025 Study, Accompaniment and Mentoring (SAM) Program for Catholic women, an initiative of the [Sisters of the Good Samaritan](#). Core components include financial assistance for women undertaking tertiary studies, spiritual direction and mentoring.

Since their foundation and throughout their 167-year history, the Sisters have been committed to the flourishing of women. They have educated girls and women from pre-school to tertiary levels and have been engaged in adult education and adult faith formation.

The SAM Program offers financial assistance to a maximum of \$A8000 per year for women undertaking tertiary studies at a recognised theological institution. The grant can be spent on tuition or other expenses associated with the completion of the qualification.

- An interest in the academic, spiritual and mentoring components of the program;
- Identification of current study being undertaken or a proposed course at a recognised theological institution;
- Evidence of leadership exercised in any context. Leadership experience in a not-for-profit organisation or a faith-based institution will be highly regarded; and
