MEDIA RELEASE

Launch of Laudato Si' URGENT HOPE series of Conversation Packages

In this [Season of Creation](#) (1 September – 4 October 2024), the [Sisters of Saint Joseph of the Sacred Heart](#) in collaboration with the [Sisters of St Joseph Lochinvar](#), are pleased to launch their newest community resource supporting [Laudato Si'](#) and [Laudate Deum](#) entitled [URGENT HOPE](#).

[URGENT HOPE](#) is the first in a five-part series of Conversation Packages drawn from *Laudate Deum*, Pope Francis' document on the climate crisis. The URGENT HOPE Conversation Package provides prompts for discussion and reflection with a focus on the urgency of the climate crisis and the Christian virtue of hope. The URGENT HOPE series of Conversation Packages adds to the rich resources available in this Season of Creation and will extend into 2025.

The URGENT HOPE series of Conversation Packages are in two forms. The main resource can be viewed via [Flippingbook](#) and can be downloaded and printed. Each Conversation Package will also include a Webinar which will be open to all Josephite supporters.

DATE CLAIMER FOR URGENT HOPE WEBINAR
